RESUME OF CHRISTOPHER M. KELLER

Chris Keller was born in Winchester, Tennessee in 1960. He graduated from Florida International University and received the degree Bachelor of Science in Mathematics in 1985.

He also attended Indiana University, where he earned the degrees Master of Arts in Mathematics in 1987 and Doctor of Philosophy in 1991. His dissertation concerned global optimization algorithms using cluster analysis and mixtures of statistical distributions.

Dr. Keller joined the faculty of the Naval Postgraduate School in 1991 as an Assistant Professor at the Defense Resources Management Institute.

His current research is concerned with mixtures and principal points of statistical distributions. He is a member of the Operations Research Society of America, The Institute of Management Sciences, Decision Sciences Institute, and the American Statistical Association.
